

With your support in 2014, a Wish with Wings granted 39 Magical Wishes to little Texans with life-threatening medical conditions. In addition to their Magical Wish, "our kids" also enjoyed Breakfast with the Easter Bunny, Family Day at Globe Life Park in Arlington, Go Wild Day at Fossil Rim Wildlife Center and a special holiday luncheon and party at Del Frisco's Double Eagle Steakhouse in Fort Worth (complete with Santa Claus riding in on a Fort Worth fire truck!). You see, we do more than just grant Wishes. We offer care, joy and encouragement to our families throughout the year/s. And, with your support, we will continue to fund beautiful memories for children in need of happy moments.

2014 was also another exciting year of change for a Wish with Wings. With the growth of our organization, we quickly realized that an expansion of the Wish House was in order! And,

Thanks for Your Support!

before we could even say, "Expansion Campaign", an anonymous donor stepped up to fund the entire project! After receiving all the proper permits and approvals, and under the capable of direction of Eric Robinson of Southlake Commercial Construction Management, the plans got underway just before the end of the year.

We are excited to share that our expansion will be complete by the time you are reading this, and we can't wait to welcome our Wish friends and family to the new and exciting Michelle Porche Hancock Wish House! Drop by for a visit when you're in the area of I-30 between Hulen and Montgomery! We would love to give you the tour.

Just a quick note to thank our generous anonymous donors, as well as those who have donated their time and services to make this the best project ever. Eric Robinson, Southlake Commercial Construction Management, Schwarz Hansen Architects, Fort Worth Electric,

True Grit Concrete, Civil Solutions, Inc., Lon Smith Roofing, DFW Paving, Carrier Enterprise, LLC, Silver Creek Materials, Unique Door Designs, Ideal Partners, Texas Built Plumbing, Plywood Company of Fort Worth, Henson Lumber, Teague Lumber, Vaden Acoustical, Hall Mechanical, Partin Drywall as well as other individuals and companies. Thanks to them and each of YOU for helping Magical Wishes come true!

A Wish with Wings is honored to be part of several community partnerships, including The Greatest Gift Catalog Ever, and the Colonial Birdies for Charity program. Thanks to them, and to each of YOU.

Magical Wishes...Bringing Hope, Happiness, Laughter and Joy

This year, Annie (L) and Zadee (R), along with 20 more of our Wish Kids went on Wish trips to Disney World, where they enjoyed a special week at Give Kids the World Village. Four children were even part of the American Airlines' Something mAAagic trip!

Sweet Brandon met his favorite "celebrity," Winter the Dolphin (featured in Dolphin Tale) at Clearwater Marine Aquarium in Florida. His face lit up when Winter came up to greet him and he received a standing ovation from those observing the special moment.

Jacob and his family went to San Francisco in the Fall for games 3-4-5 of the 2014 Major League Baseball World Series between the Giants and the Royals. They also toured and experienced the city together as a family while they were there!

Jonathan found his new best friend when he and his new puppy, Cosmo, chose each other one special summer day. The two are now truly inseparable and there is no doubt they will be life-long friends.
